product Mayfair
standout A vibrant orange or glowing green acrylic shade reminiscent of the classic library lamp reads posh courtesy of its sharp steel support in dark gloss nickel. vibia.com. **circle 706**

product Cycladic Square
standout The Pritzker Prize winner teams up with his designer daughter and the l'Observatoire International founder to create an understated collection including this crisp Corian sconce. richardmeierlight.com. **circle 707**

product Faro
standout LaSelva launches an interactive lamp: The steel shade connects magnetically to the base, enabling rotation, while a translucent methacrylate diffuser softens the spotlight effect. bolia.com. **circle 708**

product Pétale RGB
standout The organic pendant absorbs sound via a glass-wool core covered in white Lycra; a diffused central LED module combines with RGB perimeter lighting. luceplan.com. **circle 709**
